## GDPR Data Collection

Thank you to all parents who returned the pupil information sheets. However we still have a considerable number of parents who have not responded. It is essential that these sheets are returned to school even if nothing has changed. We will be sending reports electronically and need to ensure that your contact details are correct.

Please email the completed sheet which can be downloaded from the school website to [w.giannotti@radyr.net](mailto:w.giannotti@radyr.net)
